

MAXIMIZING THE VALUE OF ELECTRONIC RESOURCES

ACTIVITY DESCRIPTION TEMPLATE FOR WILS' 2015 REGIONAL COMMUNITY MEETINGS

Give us a brief summary of the activity.

Does the activity increase awareness of resources? Educate staff or users about it? Help assess use of it? Or something else?

Who is the target audience?

How do you communicate with the target audience or others about the activity?

Are there examples of other institutions doing something like this?

Are there any special skills required to do this activity?

How much time does it take?

What other resources do you need?

What tasks do you need to do to complete this activity?
