

Experience the Ingram Difference

Our extensive catalog and in-stock inventory are just the beginning. At **Ingram Library Services**, we're committed to helping your library get the books you need on the shelves quickly.

Here are two simple ways we make that happen:

IngramExpress: Your Rush Solution

- Easy access to more than 19M in-stock titles
- Fast, free shipping
- Competitive discounts
- No minimum order or shipment requirements

Sign up today and save up to 40% on books over \$16.99 through January 31, 2026.

Cataloging & Processing

Need help with cataloging and processing? Ingram offers fully customizable shelf-ready services, and we can get you started quickly with one of our out-of-the-box solutions. This ensures your patrons are well served while we implement your custom cataloging and processing profiles.

Set up an appointment today to get started.

Why It Matters

When you choose Ingram, you're not just ordering books — you're partnering with a team that understands the evolving needs of today's libraries. From fast delivery to professional processing, we're here to help you serve your community better.

Have questions or need support?
